before purchasing it in order to gauge whether or not it would be worth my time, and all praised Halloween Program Sourcebook: The Story of Halloween, Including Excerpts of Stories and Legends, Strange Happenings, Poems, Plays Activities, and ... on Halloween from (Celebrations Library):

1 of 1 people found the following review helpful. Fun grab bag of all things HalloweenBy alexxczThis book is definitely a nice little compendium of all things Halloween. You'll find the history of the holiday, poems, stories, plays, as well as a how-to section on costumes, recipes and crafts all in a clear, easy to read lay-out. The "how-to" section is an almost complete lifting of another book "The Halloween Book" by Jack Macguire, but as that little paperback is out of print and hard to find, it was fun to find it reprinted in this sourcebook. You won't find anything new or outrageous here, but for a collection of classic Halloween lore and holiday fun, this book is great. I'd recommend it for families, teachers, and general Halloween enthusiasts.
