It is originally priced by the publisher at \$14.95 when new. A great collectible and an asset for any bible studies class.1 of 1 people found the following review helpful. Great to follow along with in Bible studies.By SpydermanThis has great maps and historical facts for study of Bible times. I found one misprint regarding Paul's journeys - the maps for journey 2 and 3 are mislabeled... they are reversed.0 of 0 people found the following review helpful. My husband loves this! Atlas of the Bible Lands Hardcover Edition features diagrams, maps, and charts that provide readers with a thorough understanding of the Biblical past and present. It features a section on the geography of the Holy Land showing terrain, vegetation, and climate information. The chronologically arranged maps show important political changes, the course of empires, and the expansion of the early Christian church. There are also many color and black and white photographs of Biblical places, artifacts, and archaeological sites.
