**From Brand: SAGE Publications, Inc : Handbook of Qualitative Research** before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook of Qualitative Research:

0 of 0 people found the following review helpful. Good collectionBy CustomerI bought all three of the first editions of the handbook. While some of the articles appear in all three, each one also has new or different articles, so you almost have to take a look through all three of them. This is not really a handbook as much as it is a very large collection of individual articles written on the topic of qualitative research. If you are looking for a how-to book, this probably isn't the best place to start. If, on the other hand, you are looking to expand your background knowledge of the many facets of qualitative research this is a great collection to have. The book is extremely thick and heavy, almost to the point of

being too big to hold up while reading, but it has a lot of worthwhile articles. I feel like the second and third editions are probably the most useful. 1 of 1 people found the following review helpful. Dissertation helper By KerBaldy Useful info on classifying and defining the differing types of qualitative research in clear terms. This is helping me with the methodology section of my dissertation. 3 of 3 people found the following review helpful. Foundational piece of work By Columbus Mom I am glad I listened to others and bought this first foundation edition. The pieces in it are classics. A useful text for students who are new to qualitative research.

The Handbook is the first attempt to synthesize the huge amount of activity and change there has been in recent years in qualitative research. Contributors to this authoritative volume come from a diverse range of disciplines and countries, making it an essential resource and benchmark for anyone doing work in this international, interdisciplinary tradition. The book moves from the theoretical to the specific, examining the various paradigms for doing qualitative work, the strategies developed for studying people in their setting, and a variety of techniques for collecting, analyzing, interpreting and reporting findings. Issues of history, ethics, settings and the future of the discipline - both in traditional and ap

About the Author Norman K. Denzin is Distinguished Professor of Communications, College of Communications Scholar, and Research Professor of Communications, Sociology, and Humanities at the University of Illinois, Urbana-Champaign. Denzin is the author or editor of more than two dozen books, including *Indians on Display*; *Custer on Canvas*; *The Qualitative Manifesto*; *Qualitative Inquiry Under Fire*; *Searching for Yellowstone*; *Reading Race*; *Interpretive Ethnography*; *The Cinematic Society*; *The Voyeurs Gaze*; and *The Alcoholic Self*. He is past editor of *The Sociological Quarterly*, co-editor (with Yvonna S. Lincoln) of four editions of the *Handbook of Qualitative Research*, coeditor (with Michael D. Giardina) of eight plenary volumes from the annual *Congress of Qualitative Inquiry*, co-editor (with Lincoln) of the methods journal *Qualitative Inquiry*, founding editor of *Cultural Studies/Critical Methodologies* and *International of Qualitative Research*, and editor of three book series. Yvonna S. Lincoln is Professor of Higher Education and Educational Administration at Texas A M University. She is author, coauthor, or editor of such books as *Naturalistic Inquiry* and *Fourth Generation Evaluation* (both with Egon G. Guba), and *Organizational Theory and Inquiry*. Vice President of Division J (Postsecondary Education) of the American Educational Research Association, Dr. Lincoln formerly served as president of the American Evaluation Association and is the recipient of many prestigious awards. Dr. Lincoln coedited, with Dr. Denzin, the *Handbook of Qualitative Research*.
