promised! The book was in great almost new condition, no markings, loose pages or scratches on the covers. I was  
very happy with this book!10 of 12 people found the following review helpful. A must-have book for any serious  
social science researcherBy Maurice Y. Mongkuo (MMongkuo@Aol.com)A wealth of information for both the novice  
and experienced researcher. The sections on social measurements and indices are most impressive. Excellent resource  
guide for the serious researcher.
