From Routledge : Handbook of Violence Risk Assessment (International Perspectives on Forensic Mental Health) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handbook of Violence Risk Assessment (International Perspectives on Forensic Mental Health):

This comprehensive Handbook of original chapters serves as a resource for clinicians and researchers alike. Two introductory chapters cover general issues in violence risk assessment, while the remainder of the book offers a comprehensive discussion of specific risk assessment measures. Forensic psychology practitioners, mental health

professionals who deal with the criminal justice system, and legal professionals working with violent offenders will find the Handbook of Violence Risk Assessment to be the primary reference for the field.
