Ellyn Sanna : Happy Mother's Day (Daymaker Greeting Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Happy Mother's Day (Daymaker Greeting Books):

One glance at Barbour's brand-new DayMaker gift books, and you'll say "Wow!" These gorgeous, 32-page, full-color gift books feature inspirational text for moms, dads, and graduates. Carefully selected photographic illustrations complement the text perfectly, while the hardback covers include special touches such as gold foil application. A tastefully designed envelope is included with each book, making the DayMaker program an even more incredible value. Only Barbour Books can bring you this amazing package for just \$2.97!

About the Author ELLYN SANNA is the author of more than twenty books, including 'By the Water' (Promise Press, April 2000). She speaks at women's retreats and mothers' groups, and works as a full-time freelance editor. Her most important role, however, is being a wife and the mother of three children. She and her family make their home in upstate New York.
