Linda Williams : Hard Core: Power, Pleasure, and the "Frenzy of the Visible", Expanded edition: 1st (First) Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Hard Core: Power, Pleasure, and the "Frenzy of the Visible", Expanded edition: 1st (First) Edition:

1 of 1 people found the following review helpful. A must for anyone interested in sexuality and cultureBy Mr. ThursdayWilliams views pornography through feminist and marxist lenses, discussing its embattled political history and its potentially liberating and delimiting effects on culture.0 of 0 people found the following review helpful. Great bookBy RobertoIt's an amazing book. For everyone who is searching for a non-christian, non-conservative opinion about pornography. This book presents a new feminist look about the theme2 of 15 people found the following review helpful. an ok readBy J. MclemoreHardcores author like to use big words and confusing dialog to get her point across. This is a good book if you can get through all the muddle and crap to get to her point. The book definetly reads like a college textbook and it does get tedious at times. A good book if you have patience
