Jack Levin, Jack Mcdevitt : Hate Crimes Revisited: America's War On Those Who Are Different before purchasing it in order to gage whether or not it would be worth my time, and all praised Hate Crimes Revisited: America's War On Those Who Are Different:

1 of 1 people found the following review helpful. Interesting readBy CrimPrincessDespite the fact I had to read this for my hate crimes class, I actually enjoyed it because of the interesting research behind hate crimes and cases studies

that are presented. The chapters aren't too long and easy to comprehend. A recommended read not just for criminal justice or criminologist students, but for anyone interested in the subject of hate crimes. 0 of 0 people found the following review helpful. Four Stars By Jay Good 0 of 0 people found the following review helpful. Great Book. By Dean Winchester Great book. Professor Levin is a great author and lecturer.

Hate crimes-violence aimed at individuals because they are members of a particular group-were once considered the rare illegal actions of a small but vocal assortment of extremists who thrived on hating minorities. No more. In this new book by two of the country's leading experts on hate crimes, published ten years after their classic book of the same name, these most-recognized authorities and media commentators reinterpret this scourge of our generation-hatred based on race, religion, sexual orientation, ethnicity, gender, and even citizenship. In the aftermath of the worst act of terrorism in this country's history-the bombing of the World Trade Center on September 11, 2001-the authors probe the causes and characteristics of such acts of hatred and, most vitally, their consequences for all of us.

"I challenge anyone interested in the future of our country to read this book." -- Morris Dees, Chairman, Executive Committee, Klanwatch, Southern Poverty Law Center, Montgomery, Alabama "Levin and McDevitt have performed an invaluable public service with this book." -- Bruce McCabe The Boston Globe About the Author Jack Levin is the Brudnick professor of sociology and criminology at Northeastern University, where he directs its Brudnick Center on Conflict and Violence. He has written numerous books and articles about hate and violence, has been featured in the New York Times, the Chicago Tribune, the Boston Globe, USA Today, and numerous radio and television news programs and talk shows. He lives in Boston, Massachusetts. Jack McDevitt is a leading academic expert on hate crimes in America. He directs the Institute for Research on Race and Justice at Northeastern University. An expert witness for a number of congressional panels on hate crimes, he lives in Massachusetts.
