John F Halbleib : Hershey: Ideal Community for Orphans before purchasing it in order to gage whether or not it would be worth my time, and all praised Hershey: Ideal Community for Orphans:

Milton Hershey is well known for his chocolate. You can find Hershey's chocolate throughout America and many other countries. Moreover, many have written about him likening M.S. Hershey to royalty, such as an Emperor or King of chocolate. However, this is not the Hersheys' greatest achievement. The far more unique, extraordinary and unparalleled achievement of Milton and Catherine Hershey is The Hershey Industrial School. As part of The Hershey Industrial School, the Hersheys created the community, businesses and education system of Hershey, PA. HIS was established in perpetuity for the benefit of American orphans. Hershey - Ideal Community for Orphans is about the

Hersheys' intelligent philanthropy. A philanthropy that not only benefited all who were a part of it, its beneficiaries are American children who are orphans, and therefore, through no fault of their own, are at risk of suffering a range of undesirable outcomes. The Hersheys were driven by philanthropic effectiveness, measured by the degree to which each individual was able to reach their full potential according to their own characteristics. HIS fully develops each orphan as a whole person according to such child's unique potential through its state-of-the-art program tailored around each individual by transforming him into an adult of exceptional character, prepared to make a living as an adult.
