**Lynne Schreiber : Hide and Seek: Jewish Women and Hair Covering** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hide and Seek: Jewish Women and Hair Covering:

The traditional Jewish community has long been silent on the very personal yet also public matter of married women covering their hair with hats, scarves, and even wigs. Hide and Seek is the first book to discuss this topic, and includes legal and sociological perspectives of this observance, citing relevant texts and rabbinic discourse, as well as the

history, tradition, and customs of Jewish communities from around the world.
