From what I viewed of the book, it looked like it had potential.0 of 0 people found the following review helpful. A homeschool must have!By Jason MegThis is a great book! I love that it's written for kids in middle and high school, there's a glut of books for younger kids but very few for older kids. I also love that the book goes beyond recipes and includes descriptions of festivals and cultures.1 of

1 people found the following review helpful. A fun mix of geography culture and food!By Witchypoo BatsThe book is educational, interesting and rich with information on culture! It explains holidays, traditions with a bit of geography thrown in. Great for homeschooling and all around enjoyable read! Worth every star! Rented a copy from the library.
