"KISS on Tour" is a KissFAQ title that had been in print in physical format for some years. The most recent edition covers the years 1998-2014 (which included several appendices of earlier tours). However, for much of the past two decades an independent work covering the full KISS touring history has been under development for a "KISS Live

Focus," as part of the touring section for the KissFAQ, and later KISSMONSTER, websites. This extract, from what currently weighs in at over 810 pages in U.S. letter format (8.50 11.00), is a more economically viable serialized method of delivering an updatable digital only release focused solely on KISS' 2016 "Freedom To Rock" tour.
