**Martin Yate CPC : Knock 'em Dead 2009: The Ultimate Job Search Guide (Knock 'em Dead)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knock 'em Dead 2009: The Ultimate Job Search Guide (Knock 'em Dead):

1 of 1 people found the following review helpful. Third one I own By Rodrigo V. Illanes This book offers a relatively comprehensive and aggressive approach to job seeking. Mr. Yate would suggest his other two books as well, Resumes, and Cover Letters. You always seem to think that you could be doing more in the job search, and this book gives you plenty of ideas and exercises to prepare you for interviews. The first book I used was Knock 'em Dead 1994. The interview question preparation is pretty much the same. What is really helpful is the recent update on job seeking strategies, with up to date info on how to leverage the web and on line networks. That in itself was worth purchasing it. This book will definitely help you. 0 of 0 people found the following review helpful. Five Stars By Norman McMillian Perfect 0 of 0 people found the following review helpful.
