0 of 0 people found the following review helpful. Plenty of advice and examples in this bookBy JoannaThe writer of this book has done exactly what every successful mentor-author should do: provide written examples that showcase their advice. This book has so much to offer including intelligent advice and plenty of examples that sometimes you just need to see in order to get ideas for your own cover letter. I would highly recommend this book for those completely out of their depth in this area.0 of 0 people found the following review helpful. Four StarsBy JohnBoth

books were extremely useful, I also purchased Knock 'em Dead 2013: The Ultimate Job Search...0 of 0 people found the following review helpful. Handy Guide IndeedBy Will AbdoThis book cover many scenarios and provides specialised guidance to writing cover letters that makes a direct impact.Get noticed, impress and get your desired response by using this book as your guide.

Write a cover letter that will get you the interview In this newest edition of the bestselling cover letters guide, Martin Yate shows you how to dramatically increase your chances of landing an interview with a dynamic cover letter. Inside this book, you'll find all-new examples of cover letters and learn how to use his proven methods to: Determine the relevant keywords that will send your application to the top of database searches Effectively display your personal brand and the transferable skills you bring to a job Conduct a simple web search to find contact information and get your material in front of managers and recruiters Figure out when you should mail a hard copy of your application to the recruiter instead of sending an e-mail With the help of this trusted authority, you will finally be able to differentiate yourself from the competition and land the interview!
