Martin Yate CPC : Knock 'em Dead Resumes: A Killer Resume Gets MORE Job Interviews! before purchasing it in order to gage whether or not it would be worth my time, and all praised Knock 'em Dead Resumes: A Killer Resume Gets MORE Job Interviews!:

0 of 0 people found the following review helpful. Awesome readBy Zoe FuerteMore than just a resume book. It gives you a different approach to writing your resume, not just ripping off templates. It helped me prep for my interviews, rewrite my cover letter and make an awesome LinkedIn profile.6 of 6 people found the following review helpful. Job Searching IS INDEED A PROCESS!By Jay G.I applied to nearly 50 jobs without many replies other than "thanks but no thanks" from employers. I bit the bullet and bought this book hoping my luck would change. I learned more about myself, my professional brand, and how to think from an employer's viewpoint. Now that my resume is totally revamped, I am eager to see how many hits I now get. I am optimistic that things will turn around quite soon!. I am appreciative of the Knock em Dead series and I hope it helps you too, just not for the same job as me!3 of 3 people found the following review helpful. Generally Good InfoBy SandyThere is a lot of helpful information in this book, but the author seems a bit too sure of himself, making me question some of his suggestions. For one, while it is true

that a resume should be written in the first person, it should not include the word "I," as suggested as a possibility by the author. The "I" should be understood but not used in print. If this is a new trend, my guess is that most hiring managers will see the use of "I" as an error, not a new trend or an acceptable practice.

Expert advice on building a resume to get the job you want! Your resume is the most important financial document you'll ever create. When it works, so do you. Drawing on more than thirty years of experience, bestselling author Martin Yate shows you how to write a dynamic, effective resume that:
Stands out in a resume database
Builds a strong personal brand employers will want on their team
Passes recruiters' six-second scan test
Speaks to exactly what employers are looking for
The new edition of this classic guide includes dozens of sample resumes as well as cutting-edge advice on resume-writing tactics. With *Knock 'em Dead Resumes, 12th Edition*, you'll grab employers' attention--and score the job you want.
