Showed walking paths not accessible by car. We were able to just fold out the area we were in, but there was also a good overview map of the whole city center. So it was easy to get your bearings. I will purchase one for Rome now that I know how useful it really is!!0 of 0 people found

This opening fold-out contains a general map of Paris to help you visualize the 8 large districts discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses. Discover Paris through 8 districts and 6 maps: Latin Quarter/ The islands/ Montparnasse/ Orsay/ Louvre/ Opera/ Les Halles/ Le Marais/ Invalides/ Champ-de-Mars/ Trocadero/ Grands Boulevards/ Montmartre/ Bastille/ Faubourg Saint-Antoine/ Oberkampf/ Menilmontant/ Belleville/ La Villette/ Place d'Italie/ Bibliotheque Nationale/ Bercy. For each district there is a double-page of addresses (restaurants listed in ascending order of price: cafs, bars, music venues and stores) followed by a fold-out map for the relevant area with the essential places to see (indicated on the map by a star \*). These places are by no means all that Paris has to offer but to us they are unmissable. The grid-referencing system (A B2) makes it easy for you to pinpoint addresses quickly on the map.  
Transportation and hotels in Paris  
The last fold-out consists of a transportation map and 4 pages of practical information that include a selection of hotels. A thematic index lists all the sites and addresses featured in this guide.

The Washington Post says, The map guide lets you be inconspicuous: its as small and light as a novella, and its flip-out maps could pass as a flyer to a cool club. Make sure you never lose your way in a strange city. Each of the Knopf MapGuides captures its citys pith in a package as small as a passport wallet. Real Simple  
Knopf MapGuides are handy, practical and perfect for those of us who are slightly impaired when it comes to map-reading. You dont have to search a huge crackling sheet with a microscopic index for one of 10,000 dots on the map. The extraordinary quality of the books beautiful hues and heavy paper also give these \$8.95 guides an evocative quality that stands apart from the glossy, garish look of most travel books.
