1 of 1 people found the following review helpful. I'm sure there's nothing better out there, so this rates 5 stars. For independent travel, nothing beats a good map. By David Rizzo I managed to locate the airport, and the subway station near my hotel, along with other destinations. The map is pretty easy to read, even for middle-aged eyes. I like the fact that it is waterproof. It will never leave my side as long as I am in Korea. 0 of 0 people found the following review helpful. Good map. By Donald W.
