found the following review helpful. Usefun book for the interested in natural therapiesBy vivianI came to know this book when treated by an iriodiologist and i find it quite useful, especially when it comes to the hydrotherapy.

La especialidad de este libro se concentra en dos premisas: El desequilibrio termino corporal es condicion de todo enfermo, en grado variable y no hay enfermo sin fiebre. Porque segun el autor, es la fiebre y no el microbio, el enemigo de la salud humana. Su eliminacion de las entranas es condicion indispensable para gozar de normalidad, es decir, de salud corporal plena y creativa.
