They are professional dictionaries with relevant vocabulary and definitions for intermediate learners. Very pleased with overall quality, size of book and readability.0 of 0 people found the following review helpful. Five StarsBy Jeannette M. Rodriguez-CornejoMy daughter love it. It has help her a lot.0 of 0 people found the following review helpful. Three StarsBy MonegroNecesito algo que me encamine porque estoy confundido

This all-new dictionary is for Spanish speakers who are learning midlevel or advanced English, and is written in a captivating style that makes it accessible for both teens and adults, without being intimidating. The interior two-color design assists in creating clear lesson plans, and quizzes accompanying lesson plans reinforce the words being learned. This book will help all learners read and write as if they were native speakers.

About the AuthorThe Larousse editorial team includes many language and reference experts based in countries around the world. In this way the linguistic team keeps its finger on the pulse of living languages as spoken by the native-language speakers of these countries.
