helpful with lots of common phrases translated for the traveller. Print is a tad small as this book was sized for a shirt pocket. BUT it got so thick there is no way it fits in my shirt pockets. I carry it in a jacket pocket and put up with the bulge. Hope it holds up as long as my Larousse de poche (French) has for the last 50 years.0 of 0 people found the following review helpful. awesome but thick.By Diana StapletonA great dictionary. But pay attention to the width dimensions as this dictionary is quite thick.It is comprehensive and tiny which is awesome and exactly what I want. If you want it to fit in your pocket, unless you have a big pocket, it probably won't.0 of 0 people found the following review helpful. PerfectBy DiamondSweetHeartPerfect , no problems with the book
