...By Paulette S. The content of this dictionary is far more extensive than I expected. It may be labeled "paperback," but the cover is plasticized and sturdy. It is my gift to a tiny library in a rural village in Haiti, so I wanted something that will withstand frequent use.) (French dictionaries are expensive, so I looked at reviews of many before choosing this one.) 0 of 0 people found the following review helpful. Current. Well Presented. Affordably Priced. Even Larousse would like it! By argus Expected the Latest Edition and got the Nouvelle Edition instead ... such however does not take away from the utility of this collection meant strictly for the fluent French speaker. Be it for instructional or self improvement purpose.. Agreeably priced. Laminate-like cover makes for easy and lasting use for the French Teacher/Instructor and/or advanced student. Not bulky for the backpack. Fine print quality. 3 of 3 people found the following review helpful. An excellent dictionary for advanced French learners By N. Woodruff This dictionary allows you to think in French, without switching back and forth from French to English. It's a great dictionary, and I love it.
