I'm not a fan of this book. It is way too grammar based. It has very few practice activities. I will find a different book for the next term.4 of 4 people found

the following review helpful. Three StarsBy glenell rutkoffThe format and flow are great but there are numerous text errors.....really would benefit from some editing.1 of 1 people found the following review helpful. Learning is fun.By ila blakeAn easily followed road to every day language needs. Loads of good exercises,fun to work in and easy to understand.Too bad the CD does not work in a car.
