1938 #File Name: B001OWV0M0586 pages | File size: 68.Mb

**Morgan Lester : Leica Manual** before purchasing it in order to gage whether or not it would be worth my time, and all praised Leica Manual:

NY 1938 Third edition, revised, 2nd printing. 8vo., 586pp., photo illustrations, printed cloth. Good, small snag on front, no DJ.
