devoured Roget's English Thesaurus, as a youngster. This Spanish volume will prove useful to students. But I fault the publisher for cheaping out. They could have printed the Introduction in English AND Spanish, instead of Spanish only. Hey, there are three blank pages, and two pages of advertising, at the back of the book, plus a blank page at the end of the Spanish Intro! How 'bout a little mercy for newbies? Put the instructions in English, too, guys.

REMEMBER THIS next time you REPRINT this volume!~eric.0 of 0 people found the following review helpful.
