**Anne Bertram : Life Is Just a Bowl of Cherries** before purchasing it in order to gage whether or not it would be worth my time, and all praised Life Is Just a Bowl of Cherries:

1 of 1 people found the following review helpful. This book a must!By Nathan StumThis book is wonderfully organized and complete. It is superior to other similar proverbial or idiom compilations because it is more fun and easy to read, and is free of superfluous sayings that the others may contain. Definitely a great way to embellish your conversations!0 of 0 people found the following review helpful. Life is just a Powel of Cherries by Anne BertramBy

Khalid Adam Al-hashmi This Book is wonderful I love it it's well Organized although I've read a few Pages of it wish there is Part Two

One in a series of books about idioms, word derivations and other aspects of the English language, Life is Just a Bowl of Cherries contains almost one thousand proverbs, each of which comes with a definition and examples to illustrate meaning. '
