**Graeme Chesters : Living Working in the Far East: A Survival Handbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Living Working in the Far East: A Survival Handbook:

Essential reading for anyone planning to live or work in the Far East and the most up-to-date source of practical information available about everyday life. It's guaranteed to hasten your introduction to the oriental way of life, and, most importantly, will save you time trouble and money! The best-selling and most comprehensive book about living

and working in the Far East, containing up to twice as much information as similar books!
