Five StarsBy Steve A BonfiglioEasy to use, clear, simple instructions. Lessons "spiral" nicely into each other. Excellent text (needs to have accompanying workboom).0 of 0 people found the following review helpful. Five StarsBy robin luoGood

The Longman Academic Reading Series is a five-level series that prepares English language learners for academic work. The aim of the series is to make students more effective and confident readers by providing high-interest readings on academic subjects and by teaching them skills and strategies for effective reading, vocabulary building,

note-taking, and critical thinking. The series also encourages students to discuss and write about the ideas they discovered in the readings, making them better speakers and writers of English as well. Features Readings based on academic sources Every reading in the text focuses on an academic subject and is chosen with the intent of providing different and intriguing perspectives on the theme.
