Longman : Longman Handy Learner's Dictionary of American English before purchasing it in order to gage whether or not it would be worth my time, and all praised Longman Handy Learner's Dictionary of American English:

18 of 19 people found the following review helpful. The best handy or small size dictionary for LearnersBy A CustomerI have three different pocket-size dictionaries written for Learner's of English as a second language. Oxford, Webster and Longman. This one has the easiest to understand explanation of the words in comparison with other ones. I have two of this edition. I keep one in my office and one at home.

An American English version of the Longman Handy Learner's Dictionary which retains the features of its British English counterpart. It contains 28,000 words and phrases and includes a range of business English terms. It is produced in a pocket format.
