Get a copy of this while you canBy Al.K.A paperback, this is Alan Flusser's first and most affordable book, yet it completely explains the principles of fit, proportion, dressing for your body type and what constitutes quality in clothing. The most affordable way to benefit from Alan Flusser's expertise. About one half of the book is given over to a rundown of the best men's stores in given cities; I found that fascinating but most of the stores are sadly out of businessShould be on every professional man's bookshelf; and it's modestly priced enough to be.On top of everything else; he's a talented and entertaining writer.Still not convinced? He dressed everybody for the film "Wall Street."2 of 2 people found the following review helpful. Good BookBy TBLIf you want to dress without looking like a peacock, or someone who is wearing their twelve year olds suit; to short and too tight. Read a Flusser book and you may just salvage yourself from looking like a fad, or someone who took a sales mans bad advice to what is new and ahead of the curve.1 of 1 people found the following review helpful. Allen Flusser a geniusBy demetrious parkera must book for a fashionable fellow who cares aboutwhat he buy's and wear's.informal book.To Thy OwnselfBe True.
