I am happy to report I took the GMAT on the 18th of December and received a score of 750. Although this score required a huge amount of individual effort, I am indebted to Manhattan Elite Prep for its fantastic preparation material and David, our instructor, for his invaluable assistance. Dan --A StudentI took the GMAT for the first time last Friday and scored 690. I only had time to do about 5 hours self study. So I found the Manhattan Elite Prep course books critical to my success.
