**Joern Meissner, Manhattan Review : Manhattan Review GMAT Critical Reasoning Guide [5th Edition]: Turbocharge your Prep** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Manhattan Review GMAT Critical Reasoning Guide [5th Edition]: Turbocharge your Prep:

Critical Reasoning is a skill used in some form or another every day, but it is one that must be absolutely mastered as you prepare for the Graduate Management Admission Test (GMAT). Manhattan Review has created the GMAT Critical Reasoning Guide to enable you to do that. Beginning first with the basics of critical reasoning, this book systematically builds the strong foundation required to tackle and triumph over -- these test questions. We provide 200

representative questions on which you will hone your new skills. The guide teaches you to understand argument logic and unlock the underlying structure in order to analyze it faster, more efficiently, and with greater accuracy. Our diagramming methods give you further advantage in your test preparation. Simply put, this guide is your key to success in the Critical Reasoning section of the GMAT. About the Series: The Turbocharge Your GMAT Series is designed to be clear and comprehensive. Since its conception in 1999, it is considered the gold-standard in GMAT prep. The complete series is designed to be your best GMAT test prep companion as you navigate the road to a successful outcome. Manhattan Review has created these guides to lead you through the complexities of the examination and achieve your best possible result. As so many students before you have discovered, our books break down the different test sections in a careful, clear manner and zero in on exactly what you need to know to raise your score! About the Author: Professor Joern Meissner, the founder and chairman of Manhattan Review has over twenty-five years of teaching experience in undergraduate and graduate programs at prestigious business schools in the USA, UK and Germany. He created the original lectures, which are constantly updated by the Manhattan Review Team to reflect the evolving nature of GMAT, GRE, LSAT, SAT, and TOEFL test prep and private tutoring. Professor Meissner received his Ph.D. in Management Science from Graduate School of Business at Columbia University (Columbia Business School) in New York City and is a recognized authority in the area of Supply Chain Management (SCM), Dynamic Pricing and Revenue Management. Currently, he holds the position of Full Professor of Supply Chain Management and Pricing Strategy at Kuehne Logistics University in Hamburg, Germany. Professor Meissner is a passionate and enthusiastic teacher. He believes that grasping an idea is only half of the fun; conveying it to others makes it whole. At his previous position at Lancaster University Management School, he taught the MBA Core course in Operations Management and originated three new MBA Electives: Advanced Decision Models, Supply Chain Management, and Revenue Management. He has also lectured at the University of Hamburg, the Leipzig Graduate School of Management (HHL), and the University of Mannheim. Professor Meissner offers a variety of Executive Education courses aimed at business professionals, managers, leaders, and executives who strive for professional and personal growth. He frequently advises companies ranging from Fortune 500 companies to emerging start-ups on various issues related to his research expertise.
