Recommended. 1 of 1 people found the following review helpful. It's an awesome dictionary, really helpful for translation students. By Fabiana Miranda It's an awesome dictionary, really helpful for translation students, because it helps you with some tips for improves english-spanish translations. Its a must have! :) 1 of 1 people found the following review helpful. Brilliant! By Normagnus A must have for all translators! A very good, practical book. Great reference for all translators out there. Although I have to admit it, at some points it goes way too theoretical to the point of boring numbness, which makes me rate it 4 stars. But all in all, a brilliant book.

Rare Book
