SeeMoreBuds : Marijuana Buds for Less: Grow 8 oz. of Bud for Less Than \$100 before purchasing it in order to gage whether or not it would be worth my time, and all praised Marijuana Buds for Less: Grow 8 oz. of Bud for Less Than \$100:

0 of 0 people found the following review helpful. Five StarsBy MelissaGood book - would recommend to anyone interested in the topic.8 of 13 people found the following review helpful. Great book for those wondering how to get started.By Richard J. GreenYou can follow this book and grow for under \$100 and have acceptable product in the end. A step by step guide that takes you from setup to end and fills in the gaps with what to look for and when to do things. I actually built the lighting system and it was quite easy and appears to be effective (I built it for someone else). I did not actually grow a plant, but I do believe if you follow the book it will provide results and be quite educational, should you want to expand your endeavor....enjoy!0 of 1 people found the following review helpful. Two StarsBy JimmyNot a bad book

This handy, simple guide walks the novice or budget-minded gardener through the entire process of cultivating marijuana. Unlike most such books that feature costly high-tech equipment, this one emphasizes household fluorescent bulbs and other inexpensive, easily available supplies. Marijuana Buds for Less is organized around a boldly photographed day-to-day planner, with each page a day in the life of the garden. Growers have a visual reference of their plant's progress with instructions on watering, feeding, lighting, and caretaking.

Wanna See More Buds? The new book Marijuana Buds for Less by SeeMoreBuds seeks to explain how this can be accomplished in the simplest terms for the hobbyist and closet grower. Beginners, interested in starting up a grow but intimidated by the task, should pick up a copy and get growing. -- High Times Magazine Dec. 2007
From the Author This is a personal grow journal showing the absolute easiest way to grow an amazing plant. All the details have been recorded so that it can be easily replicated. Just turn the pages, one day at a time. Peace Love, SeeMoreBuds
