Richard Burhans, Ellen Kushner : St. Nicholas and the Valley Beyond: A Christmas Legend before purchasing it in order to gage whether or not it would be worth my time, and all praised St. Nicholas and the Valley Beyond: A Christmas Legend:

0 of 0 people found the following review helpful. ExtraordinaryBy SaturnaliaThis is a really exceptional book. It is a gem. Besides the original story that is about St. Nicolas yet completely accessible to a diverse readership, the artwork is amazing and the history of how it was made (the faces are clearly based on the faces of real people known to the author from their community) adds a level of appreciation. There are a lot of fabulous childrens books out there, but this one is unusual and unique and it makes you feel really good while you read it. Like you discovered something incredible that hardly anyone knows about.1 of 1 people found the following review helpful. Knowing the Characters Makes All the DifferenceBy Anne NeethlingI got to know and help provide care for "Wilhelmina" in her later years - a central character in this delightful story. Even without the personal connection, the story should have broad emotional appeal to children of all ages. Colleagues at work who are from Snoqualmie, and have personal connections to all the characters, have enjoyed filling in additional background details that have served to expand my joy in now owning my own copy of this book.1 of 1 people found the following review helpful. Family ClassicBy SoftlyFallingI grew up reading this book every Christmas. The artistry is delightful and the story is unique!

Featuring fifty full-color paintings and two gatefolds, a beautifully produced oversized volume offers an allegorical tale about St. Nicholas and the riddle he and the inhabitants of the Valley Beyond must solve. 60,000 first printing.

\$60,000 ad/promo. Tour.
