Patricia A. Pingry : Story of Saint Patrick's Day, The before purchasing it in order to gauge whether or not it would be worth my time, and all praised Story of Saint Patrick's Day, The:

7 of 7 people found the following review helpful. Wow! By ADreisow So, I'm not gonna lie. I'm a mother of a 3.5 year old and I never knew who St Patrick was and what the importance of the day was. I thought it was for a bunch of drunks to soak themselves in vomit and green beer while other families make corned beef and cabbage.... Boy was I far from the truth and have a totally different outlook on St Patrick's Day now that I know the meaning behind the day and the person. 0 of 0 people found the following review helpful. great book for background on the holiday By J. Donahue Our family is Irish and this is a great book for young children to explain some of the background of St. Patrick's Day. Most of the children's books I found for St. Patrick's Day focused on leprechauns but this goes into why we celebrate the day. 1 of 1 people found the following review helpful. A "first" look at why we celebrate... By Stuey I bought this book (and others similar) primarily for pre-school grandchildren to introduce a little meaning to holidays and their country. Since they are board books, the older elementary children think of them as "baby books", however, seem to enjoy looking through them and verbally adding more facts (or asking questions). The book seems to take a

few facts from history in order to highlight a special day. The wording and pictures are simple and thus the story easily remembered. My grandchildren of all ages seem to recall these books with growing up and the holidays.

In about 200 words, this little book presents the story of Saint Patrick's Day in a way that is simple enough for a toddler to understand. Vibrant illustrations are paired with the text and help create the connection between the story of the life of Saint Patrick and the way the holiday is celebrated today. Parents can use this book to introduce little ones to the meaning behind Saint Patrick's Day. Ages 2-5.

About the Author About the author: Patricia Pingry has written dozens of children's books and edited hundreds more. Among her best-known titles are *The Story of Christmas*, *The Story of Easter*, and *The Story of the Ten Commandments*. In all, her holiday, Bible story, and historical titles have sold more than 4 million copies. Patricia lives in Nashville, Tennessee, where she continues to write and develop children's projects. About the illustrator: Meredith Johnson was an advertising art director for 23 years and now devotes much of her time to illustrating children's books. Meredith has illustrated nearly 100 books. She has two grown sons and lives in California with her husband.
