Vincent N. Parrillo : Strangers to These Shores, Books a la Carte Edition (11th Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Strangers to These Shores, Books a la Carte Edition (11th Edition):

2 of 2 people found the following review helpful. I enjoyed using this book for my class By Kailyn This book was delivered to me in a timely manner and it was used for my Ethnic Studies class. I was very surprised about the different classifications of people. I was not expecting to learn so much about the elderly, disabled, and those that identify as LGBTQ. Not only was present day treatment, statistics and efforts for change included, but also past information and how these groups have evolved over the years. I enjoyed using this book for my class 1 of 1 people found the following review helpful. By DreamArrived in good condition 1 of 1 people found the following review helpful. Five Stars By Krystal I'm very good condition.

Examines U.S. racial and ethnic relations from a socio-historical perspective *Strangers to These Shores*, 11/e, offers a conceptual and theoretical overview of one of the most interesting and dynamic fields of study - race and ethnic relations. Racial issues are examined through different sociological perspectives, giving students a basis for examining the experiences of different minority groups. Readers will not only see how racial and ethnic groups came to be, but also how they are changing and how they will continue to change in the future. MySocLab is an integral part of the Parrillo program. Engaging activities and assessments provide a teaching and learning system that helps students examine the experiences of different minority groups with Core Concepts Video Series, explore real-world sociology through the new Social Explorer, and develop critical thinking skills through writing. This title is available in a variety of formats and prices digital and print. Pearson offers its titles on the devices students love through Pearsons MyLab products, CourseSmart, Amazon, and more. To learn more about our programs, pricing options and customization, click the Choices tab. This Book a la Carte Edition is an unbound, three-hole punched, loose-leaf version of the textbook and provides students the opportunity to personalized their book by incorporating their own notes and taking the portion of the book they need to class all at a fraction of the bound book price.
