The human touch is there but the Divine is always evident. They won't take long to read but the stories will stay in your heart forever. 1 of 1 people found the following review helpful. Five Stars. By Frances Reynolds: Fascinating short stories written in a well-phrased manner about life for the homeless.

From a kiss from "Ronnie," to stories about the plight of homeless seniors, and late-night conversations in downtown taverns, *Street Stories* takes you into the ministry of Rick Reynolds, executive director of Seattle's Operation Nightwatch. For nearly 20 years, Reynolds has roamed the streets of downtown Seattle, stopping at bars and freeway underpasses to talk with the homeless, immigrants, alcoholics, and the mentally ill. This is my church, he says. Through this collection of short narratives, Reynolds shows his skills as a storyteller and poet, and reveals an unheralded ministry that embraces those society has rejected. All proceeds from this book go to Operation Nightwatch.
